JOIN US IN LONDON

SATURDAY 20th OCTOBER

WHY WE'RE MARCHING. Austerity isn't working.

Our country faces long-term economic problems. But our political leaders have failed to face up to them. For the next five years or more, unless policies change the economy will not grow, incomes will not rise, and there will be almost no new jobs. Rather than deep, rapid spending cuts, we need to reverse our decline and build an economy that works for ordinary families.

We need a future that works. Will you join us?

We have booked a coach to attend this rally to show our support for this TUC event and fellow Union members, we will charge a minimal fee of £2.00 per person for the trip to London. Leaving 0630hrs from Bridgwater bus station.

Retuning from Victoria embankment 1700hrs
